After months of anticipation, Britain's Prince Harry finally officially informed the nation about his engagement to American actress, model, and humanitarian Rachel Meghan Markle. As per British court tradition, the official statement came from the groom's father, Charles, Prince of Wales – the eldest son of Queen Elizabeth II and heir apparent to the British Throne.

D) Рубрика

Burying time capsules for future civilizations is not a new concept. However, the one hidden underground near the Polish Polar Station in the Norwegian Svalbard archipelago, is a little unique. Instead of detailed documents to showcase our progress and knowledge, the capsule contains objects, which the creators believe will be easier for future historians to interpret.

E) Рубрика

Before astronauts embark on a mission to Mars, it is imperative for scientists to know everything they can about the impact of long-term space travel on the human body. Previous studies have shown that extended exposure to microgravity causes muscles and bones to weaken, deteriorates vision, and, in some cases, even alters the astronaut's DNA.

Fashion

Once upon a time, fashion was only for the rich. Paris was the centre of the fashion world, and everyone else tried to copy the top French designers. But now, fashion is a much more international matter. London, like other big European cities, has a large number of its own talented and young designers.

In any , many people, especially young people, take no notice of the clothes the designers produce. They wear things which their ideas and feelings about life. They use fashion like a kind of . A boy who wears a leather jacket covered in bits of metal will probably ride a motorbike.

Some young people, of course, have fun with all the latest “street styles”. They cut their hair into strange shapes, lots of cheap jewelry, or paint their lips blue. These “street styles” come and go. But a lot of young people try to look as clean and as possible. Clothes with a sporty look are popular. They make people look healthy and energetic.

Cricket is an outdoor team sport. It developed in England. It is also very popular in places that England once ruled as colonies. These countries are Australia, India and so on. Cricket is played on an oval field. People play it with a bat and a ball. In the center of the field there is a pitch. The pitch is twenty metres long and three metres wide.

Two teams of eleven players compete in a cricket game or a match. When a cricket match starts, there are two players in the pitch. They stand opposite each other. They carry bats and are called batsmen. One batsman, the striker, uses his bat to hit the ball. The second batsman runs to get the ball. The team that scores more points wins. Cricket matches with scores in the hundreds are common.
