People usually try to follow fashion. A fashion is a style which is popular in a certain time and place. We often use this word when we talk about clothes. Still, we can use this word when we talk about other things, for example, cars, gadgets and so on. Fashion influences people in different ways. For example, some people spend a lot of time and money to be and look fashionable. For others, fashion is not so important. The thing is, fashion changes from time to time, so it can be really hard to follow.
